Subject: Automatic reply: EPA Completes Drinking Water Sampling in Dimock, PA

As of July 13, 2012, after three great years, I am no longer with Senator Whitehouse's office.

For assistance on energy and environmental issues, please call our front desk (202-224-2921) and ask to speak with Anna-Marie Laura or Nicholas Semanko.

If you'd like to be in touch with me in the future, my personal email address is:

[REDACTED]

Kate
